Features & Benefits:

- For use with 400.310 (2 Pin Plugs)
- 2 Pin Power distribution connector
- 1 Way into 4 Way Power Splitter
- Compact Size
- Easy to connect and link power
- Slim design

Dimensions (Unit: mm)

Notes:

- The power distributor is designed to be used with the 2 Pin Plugs (400.310) available separately (sold in packs of 5 x plugs). Because of its compact size and minimalistic appearance, it is ideal for distributing power to single colour LED Strips for shelf and cupboard lighting, this power distributor is a fast and simple way to connect and distribute power across your devices, minimising cables and helping to keep your installations tidy.
