Silicone Neon Flex Diffuser For LED Strips (20x20mm) 50 MTR Roll

Product Code: 102.235L

Technical Specifications

Product Code:	102.235L
Product Type:	Flexible Neon Diffuser
Product Packed:	Anti-Static Bag
Material:	Flexible Silicone
Diffuser Colour:	White Diffuser
Metres:	50 MTR Roll
Unit Size:	20mm x 20mm
Suitable Strips:	Up to 14mm wide Strips
Maximum Bend:	300mm Diameter

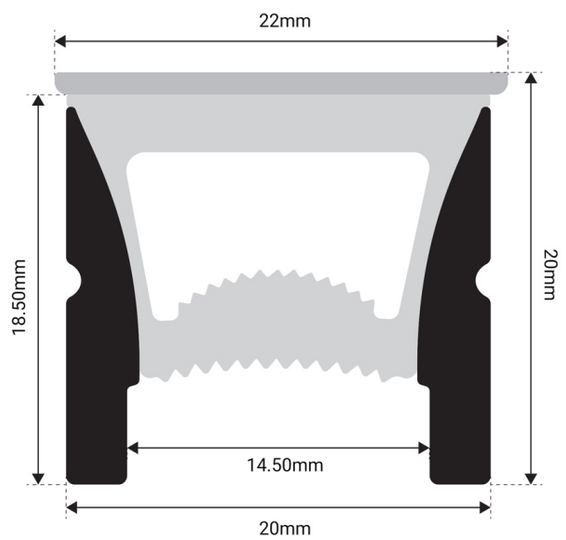

- Flexible
- Flush Diffuser
- Bend Left & Right
- Bend Up & Down
- Can be Recessed

5 MTR

For higher-powered LED strips **(12W per metre or more)**, we recommend installing this diffuser with one of our aluminium heat-sink profiles to ensure proper heat dissipation and protect the longevity of the LED strip.

Heat Sink Profile Product Codes: **100.106** & **102.237**
