

Specification

- Product Code: _____
- Colour Temperature: _____
- Guarantee Period: _____
- Wattage: _____
- Current: _____
- Input Power: _____
- PCB Weight: _____
- Weight (5m roll): _____
- Size: _____
- Reel Length: _____
- Cross Section: _____
- Beam Angle: _____
- LED spacing: _____
- Power consumption per metre: _____
- Lumens: _____
- Luminous flux (Lumens per metre): _____
- Light intensity per LED (millicandelas): _____
- CRI Rating (greater than): _____
- Dimmable: _____
- Cut Intervals: _____
- LED Qty: _____
- LED Type: _____
- IP Rating: _____
- Continuous run in mtrs: _____
- Average LED life Hrs: _____

- Base Type: _____
- CE and RoHS: _____
- Peelable Back: _____

Place non illuminated image here.

Place schematic drawing here.
