

30W LED Floodlight

Specifications

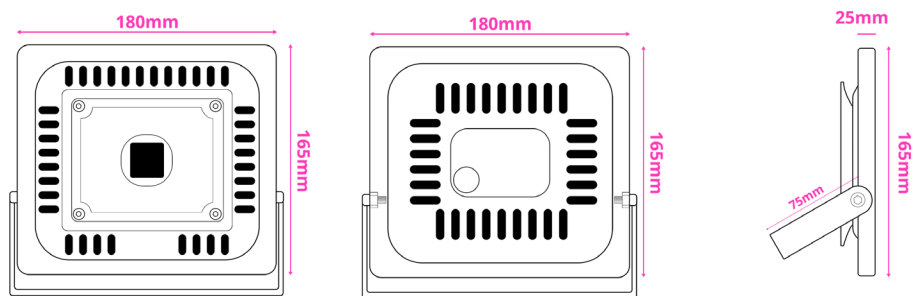

Model Number	100.838
Colour Temperature	6000K
Lumens	2550lm
Input Voltage	240V
Output Power	30W
Weight	1.5kg
Warranty	3 Years
Power Factor	>95
CRI	≥80
Base Type	1Mtr Mains Cable (no plug)
Driver	Built-in Driver
Current	140mA
Lifetime	30,000 hrs
Dimensions	180 x 165 x 25mm
Beam Angle	180°
Equivalent to	300W

Features & Benefits:

- Great for domestic & commercial installations
- Low heat output
- Save 50-70% on energy costs
- Instant start, maintenance free
- 180° degree beam angle
- High quality lightweight housing with a stylish finish
